

## TRISHA ALICIA

**Singer/Songwriter & Spoken word  
Artist**

Trisha Alicia creates music that knows where you are. A Nashville-based artist with a Chemical Engineering degree, she moves through R&B, Gospel, Worship, Hip-Hop, and Spoken Word with equal authenticity: not as a genre experiment, but as an artist whose range is a natural extension of who she is. As a vocal producer and studio vocalist, she's worked alongside Grammy-nominated and winning producers in Nashville's competitive music scene. Her father performed with Kool & The Gang, her aunt was a member of The Monitors on Motown Records, and her grandmother was a published poet. Substance and style, every time.
